

Input methodologies review – Release of updated draft decision on cost allocation – 22 September 2016

Good morning

Today we have published our updated IM review draft decision on cost allocation for electricity and gas pipeline businesses.

The paper is now available on our website at: <http://www.comcom.govt.nz/regulated-industries/input-methodologies-2/input-methodologies-review/>

We invite submissions by **5pm on Thursday 13 October 2016** and cross submissions by **5pm on Tuesday 25 October 2016**.

Proposed drafting to reflect our updated draft decision on cost allocation will be included in the revised draft determinations that we anticipate publishing for technical consultation in mid-October 2016.

Kind regards,
Keston
