

**Notification email – Letter received from ENA on the impact of a reduction of live line work on Non-Exempt EDBs under the Default and Customised Price Quality Path – October 2016**

Good afternoon

Today we have published a letter received from the Electricity Networks Association on the impact of a reduction of live line work on Non-Exempt EDBs under the Default and Customised Price Quality Path.

We request comments from parties on this letter with submissions already requested on our technical consultation update paper. Please send any relevant comments to [regulation.branch@comcom.govt.nz](mailto:regulation.branch@comcom.govt.nz) by **5pm, Thursday 3 November 2016**.

ENA's letter can be found on this page: <http://www.comcom.govt.nz/regulated-industries/input-methodologies-2/input-methodologies-review/> in the "Further correspondence received on the draft decisions" folder.

Kind regards

**Keston Ruxton**
