

Notification email – Dates for publishing IM review decisions and emerging views on related party transactions – 2 December 2016

Good morning

The date for publishing our IM review decisions is now set for Tuesday 20 December. We intend to hold a briefing about these decisions on the morning of 20 December and will send out RSVP process details for this briefing in a separate email.

We would also like to advise that we have moved the date for publishing our emerging views on the problem definition for our review of the related party transactions regime. This will now be published in February 2017 and, as indicated previously, we will be seeking submissions on this paper as an input to our ongoing IM review process for related party transactions.

All other dates for the IM review, as set out in the Amended Notice of Intention dated 14 September 2016 (available at <http://www.comcom.govt.nz/regulated-industries/input-methodologies-2/input-methodologies-review/>), remain unchanged.

Kind regards,

Keston Ruxton
