

Notification email – Process update paper for the capex IM review – 28 July 2017

Good morning

Today we have published a process update paper for the Transpower capex input methodology review (**capex IM review**). The paper is available on our website at:

<http://www.comcom.govt.nz/regulated-industries/input-methodologies-2/transpower-input-methodologies/capex-input-methodology-review/>

This purpose of this paper is to update stakeholders on process matters relating to the capex IM review. More specifically, it:

- confirms the focus areas for the capex IM review;
- sets out the topics and key issues to be considered as part of the review; and
- sets out the process and the timeline for reaching our draft decision and final decision.

Kind regards,
Keston Ruxton
