

## Agenda for Capex IM review knowledge sharing workshop

**When:** Wednesday 24 May 2017, 09.30 – 13.30

**Where:** Commerce Commission, Level 9, 44 The Terrace (Room 9.7)

### Purpose of the workshop

The workshop is a knowledge sharing session to explain the capex IM, the lessons learned to date, and our proposed focus areas for the review.

We hope that the workshop will provide an opportunity for stakeholders without a close understanding of the capex IM to better understand what it is, how it works, and how it might be relevant for them. The workshop is intended to help inform your submissions on our proposed focus areas paper, which is available [here](#).

### Format of the workshop

Commission staff will lead the workshop and Transpower will present a session on how the capex IM impacts on its business.

Attendees are welcome to ask questions and share their views throughout the workshop. The final session will also provide an opportunity for questions and comments before the workshop concludes.
