DATED 27 September 2011

BETWEEN HER MAJESTY THE QUEEN, in right of the Government of New Zealand acting by and through the Minister for Communications and Information Technology, (“the Crown”);

AND SPRINT INTERNATIONAL NEW ZEALAND, having its registered office at C/- Hesketh Henry, Level 11, 41 Shortland Street, Auckland, New Zealand, (“the TRS Provider”).

(the “Parties”)

BACKGROUND

- A This addendum sets out the variation to the Telecommunications Service Obligations (TSO) Deed for Telecommunications Relay Service (TRS) dated 7 July 2011 (the “Deed”). The Deed requires the TRS Provider to supply relay services under the terms and conditions set out in the Deed.
- B The Deed was declared a TSO Instrument under the Telecommunications Act 2011 (the Act) by the Telecommunications (Declaration of TSO Instrument) Order 2011 dated 29 August 2011 [SR 2011/301 refers].
- C The purpose of this variation is to clarify the Deed in regard to the hours of service for Captioned Telephony (CapTel) as agreed between the Parties in the contract negotiations stage, and that both Parties recognise as a term for the supply of the CapTel Service.

VARIATION

- D The Parties agree to vary the Deed in accordance with Clause 15.1 of the Deed by adding the words “from 8.00am to 9.00pm daily” after the words “within 6 months” in Clause 3.3 on page 4 of the Deed.

GENERAL

- E In accordance with section 75 of the Act, the Parties agree that this variation forms part of the Deed and has full effect on and from the date of execution by the Parties to the Deed.
