

## **Explanatory note for non-material amendment to the Electricity Distribution Information Disclosure Determination 2012 [2012] NZCC 22**

30 September 2021

1. Under s 52Q of the Commerce Act 1986, we have made a non-material amendment (the Electricity Distribution Information Disclosure (Non-material) Amendment Determination 2021 [2021] NZCC 18) to the Electricity Distribution Information Disclosure Determination 2012 [2012] NZCC 22 (“principal determination”).
2. The non-material amendment corrects a minor drafting error made to clause cl 2.6.1 of the principal determination, where the text “commencing with the disclosure year 2014” was inadvertently deleted in our recent Electricity Distribution Information Disclosure (Aurora Energy Limited) Amendment Determination 2021 [2021] NZCC 12. We have amended the principal determination to reinsert this text into clause 2.6.1. The amendment is non-material because it does not change any Electricity Distribution Business’s obligations under the principal determination.
