#### **Official Information Act #23.033 – Response**

1. We refer to your request received on 21 August 2023 for information about Flexirent New Zealand (Flexirent). You would like to know if the Commerce Commission (the Commission) has received any complaints about Flexirent.
2. We have treated this as a request for information under the Official Information Act 1982 (OIA).

#### **Our response**

3. All complaints received by the Commission are entered into our complaint database by reference to the name of the trader complained about. We have identified that complaints received about Flexirent are entered against the trader names “Flexirent New Zealand”, “Flexicommercial Limited” and “Flexi Group New Zealand Limited”.
4. The Commission has received 24 complaints or enquiries about Flexirent in the period 9 January 2012 to 21 August 2023.
5. Please note:
  - 5.1 The Commission’s current database was implemented in 2017. At the time of implementation, complaints records from 1 January 2012 onwards were transferred to our current database.
  - 5.2 Limited complaint records from before 2012 were transferred to the current database. These do not reflect a complete picture of the complaints received by the Commission before 2012.

- 5.3 Other than the complaint records transferred to the current database, we are not able to access complaint records from our previous database(s).
6. It is important to consider complaint numbers in the following context:
- 6.1 Complaints data on its own cannot paint a complete picture of compliance with the law. The fact that a complaint has been received does not necessarily mean that a trader has done anything wrong, or any harm has been caused to any consumer or competitor. Some complaints will not be investigated by the Commission because they are unfounded or outside our jurisdiction, and some complaints that are investigated will not proceed to further action.
- 6.2 The complaints data only reflects what consumers have chosen to report to the Commission or to other organisations that have, in turn, provided information to the Commission. Some complaints on the same matter are likely to have reached other complaint bodies instead of the Commission.
- 6.3 Complaint volumes for a trader can be about a single matter or multiple matters. Some matters that attract a high level of publicity can generate a large volume of complaints.
