**CROSS-SUBMISSION ON THE DRAFT DECISION ON SETTING
TRANSPOWER'S INDIVIDUAL PRICE QUALITY PATH FOR 2015 - 2020**

1. This cross-submission is made by Pacific Aluminium on behalf of Rio Tinto Alcan (New Zealand) Limited ("RTANZ") and New Zealand Aluminium Smelters Limited (NZAS). It is made in response to the submissions on the Commission's paper on the draft decision on setting Transpower's individual price quality path for 2015 - 2020 of 16 May 2014. Thank you for the opportunity to provide this feedback and nothing in this cross-submission is confidential.
2. Pacific Aluminium has reviewed the submissions made by other parties and considers that there has been nothing presented which would alter the views expressed in our primary submission. We consider that the views expressed by MEUG concerning Transpower's cost increases are very valid and something the Commission needs to think carefully about.
