

COMMERCE COMMISSION

v

H Aidong Chen

MINUTE OF JUDGE NR DAWSON

[1] When sentencing Mr Haidong Chen I indicate that after taking into account the appropriate discounts the total fines to be imposed of Mr Chen was \$24,500. This amount was to be divided amongst all accounts for which he had entered guilty pleas.

[2] During the sentencing I indicated that that would come to \$2,450 as a fine on each count. However I overlooked the accounts for which he had pleaded guilty with respect to the offending relating to Kiwi Wool International Ltd and should have divided the amount of \$24,500 amount to 28 counts. The fines for Mr Haidong Chen will be \$875 for each of the 28 counts thereby totalling the sum of \$24,500.
