Dear Jeff

The Manawatu Rugby Union received the Commerce Commissions letter dated 17 January 2007 regarding the proposed variation to decision 580 effecting the New Zealand Rugby Union (NZRU) player regulations.

This union has no concerns with the relief outlined and although, as stated in our earlier submission, we continue to believe that the actual salary cap would be more effective if set at a lower level, we have no objection to the temporary salary cap relief as outlined.

Yours sincerely

Hadyn Smith
CEO
Manawatu Rugby Union
