Dear Nicky

I hope this letter finds you well. All the best for 2006 and way beyond of course.

Thank you for considering the NZRL regarding any synergies between us and the "Application for authorisation of proposed arrangements – New Zealand Rugby Football Incorporated (NZRU)".

The NZRU will have employment issues surrounding their game but Rugby League is purely amateur in New Zealand.

The professional arm is the Warriors who play in an Australian competition. When the Kiwis congregate for a "Test" match they receive daily allowances and sometimes minimal win bonuses if there is any profit from the gate takings.

Thanks for thinking of us anyway and keep up the good work.

Kind regards
NEW ZEALAND RUGBY LEAGUE INC
