Dear Anna,

WILSON PARKING NEW ZEALAND LIMITED ("Wilson Parking") – APPLICATION FOR CLEARANCE TO ACQUIRE CERTAIN ASSETS OF TOURNAMENT PARKING LIMITED ("TP")

1. We refer to Wilson Parking's notice dated 7 August 2015 (registered on 14 August 2015) seeking clearance in respect of the above acquisition.
2. This letter is to advise you that Wilson Parking wishes to amend its application for clearance so that it applies only to the following sites that were specified in the notice:
 - 2.1. The Rialto Car Park
 - 2.2. The Leftbank Car Park
 - 2.3. The Lombard Car Park
 - 2.4. The Marion Street Car Park
 - 2.5. The Plimmer Tower Car Park.
3. The terms of the acquisition in respect of each site will be the same as that advised in the notice.
4. Wilson Parking have asked us to indicate to you that they no longer have any intention of acquiring the other 5 sites specified in the notice. Any future acquisition proposal that may arise in respect of any of those sites would be considered in terms of market conditions at the time and in light of any terms that may be proposed. No such acquisition is presently contemplated.
5. Accordingly, we ask the Commission to complete its consideration of Wilson Parking's application on the basis that it relates only to the five sites set out above. Wilson Parking perceives that the Commission now has all the information it requires in order to conclude its consideration of the amended application, but if that is not the case, please let us know immediately.

Yours sincerely
