Dear Matthew

Cross-submission on CPP process submissions

Powerco appreciates the opportunity to provide feedback on the submissions to the Commerce Commission's open letter of 3 July 2018. Our observation is that the range of views on most topics suggests a first step for the Commission is to produce guidance: it is a no regrets and low cost approach. Where relevant to CPPs, this guidance can be applied to previous CPP applications as a sense check and will inform the nature and scope of future IM changes if warranted.

If you have any questions on this submission, or would like to discuss these issues further, please contact Andrew Kerr (Andrew.Kerr@powerco.co.nz).

Yours sincerely
