Dear Sir

Draft Determination – Variation of Decision 580

We have reviewed the draft determination issued by the Commission in respect of the proposed amendment of an authorisation granted to the NZ Rugby Union in Decision 580.

Although we are disappointed that our suggestions have not been incorporated in part or full, we have no additional comments or submissions to make on the variation to the salary cap that is set out in the draft determination.

Yours faithfully

Greg Peters
Chief Executive Officer
Wellington Rugby
