Dear Allan

Material concerning the setting and resetting of starting price

Thank you for your letter and attached reports dated 5 July 2012 concerning the setting and resetting of starting prices for default price-quality paths.

As set out in our 19 June 2012 "Process update – Default price-quality paths for electricity distribution and gas pipeline services", we intend to publish:

- our draft decisions on the potential reset of the electricity distribution default price-quality path in the week commencing 13 August 2012
- our draft decisions for the initial gas default price-quality paths in the week commencing 3 September 2012.

We will consider the material that you have provided alongside all submissions and cross-submissions that we receive on these draft decisions.

We will publish the material on our website shortly.

Yours sincerely

John Hamill
