## **Notice of points of interconnection under section 231 of the Telecommunications Act 2001**

**The Commission:**

Dr Stephen Gale  
Sue Begg  
Elisabeth Welson  
John Crawford

**Date of Notice:**

19 December 2019

**Publication date:**

[Commission to insert date that updated notice is published]

## Notice of points of interconnection

1. Section 231(1) of the Telecommunications Act 2001 (the **Act**) provides that the Commerce Commission (the **Commission**) may, by public notice, prescribe points of interconnection for the purposes of establishing fibre handover points.
2. On 19 December 2019, the Commission gave public notice in the Gazette prescribing the points of interconnection as set out in the Commission's full notice "Notice of points of interconnection under section 231 of the Telecommunications Act 2001".
3. On [insert date] the Commission updated this document to include additional points of interconnection for Chorus Limited.

## Interpretation

4. In this notice:
  - 4.1 the relevant end-user premises, buildings, or other access points for each point of interconnection are:
    - 4.1.1 those end-user premises, buildings, or other access points within the UFB geographic area specified for each point of interconnection; and
    - 4.1.2 every end-user premises, building, or other access point that is located outside of a UFB geographic area, for which the point of interconnection is the nearest point of interconnection (whether on a geographic or network topology basis) to the end-user premises, building, or other access point;
  - 4.2 the UFB geographic area specified for each point of interconnection includes all geographic areas required to be served by the point of interconnection under a UFB contract; and
  - 4.3 UFB contract has the meaning given to that term in clause 7 of Part 2 of Schedule 1AA of the Act.
