**Consultation on Process and Issues and Decision-Making Framework for the Part 4 Input Methodologies Review – Cross-submission**

This cross-submission is made in response to submissions from other parties to the Commission’s review.

Air New Zealand considers the issues it wishes to engage on are comprehensively dealt with in the TDB Advisory report on 2 August 2022 prepared for BARNZ. Air New Zealand endorses that report fully.

Air New Zealand looks forward to further engagement with the Commission throughout this review process.

Please contact me if you have any queries relating to any of the above.

Yours sincerely
