

## **Period for cross-submissions**

Since the closure of submissions on the Commission's Draft Determination, the Commission has received several cross-submissions.

To ensure fairness between submitters, we invite interested parties to comment on the submissions on the Draft Determination which have been made by other parties.

Cross-submissions are to address only the issues raised in the submissions already received.

Submissions can be sent to [Registrar@comcom.govt.nz](mailto:Registrar@comcom.govt.nz) with the subject line "Cross-submissions on the Cavalier Draft Determination" by 9am on Monday 11 May 2015. Any cross-submissions received after this time will not be provided to Commissioners.

Please provide a confidential and a public version of your submission, if applicable.

We will publish the public versions of submissions received inside the timeframe on our website as soon as practicable after receipt.

### **Conference**

The Commission is still considering whether or not to hold a conference on this matter. Parties will be advised and a notice will be put on our website when this decision has been made.
