Dear Sian

**Aurora CPP – feedback on public meetings – further correspondence**

I acknowledge receipt of your letter of 11 January 2021 and note that the areas where there is a difference of perspective in relation to the public consultation process now appear to have been fully canvassed. I was not expecting a response from you, but do appreciate you taking the time to share your further thoughts.

My letter to you of 20 December 2020 sets out the Commission's perspective on the public consultation process and there is no more that I think I can add in response to your letter.

As with all correspondence associated with the consultation process, and in the interests of transparency, we will publish your letter of 11 January (and this response) on the Commission's Aurora CPP webpage, alongside the original correspondence on this topic.

Please let me know if you have any concerns.

Your sincerely

Adrienne Meikle  
Chief Executive
