Final decisions of our section 30R reviews will be published on 12 December 2019

Mōrena

We had previously indicated our intention to finalise and publish our [section 30R reviews of the copper standard terms determinations \(STDs\)](#) on 9 December 2019, with an effective date of 15 December 2019.

We can now confirm we will publish the reviews on the morning of **12 December 2019**, and will retain the same effective date of 15 December 2019.

The STDs will also include the updated prices as part of the 2019/20 annual price adjustments, which also have an effective date of 15 December 2019.

The updated prices are currently available at the [price adjustments](#) page of our website in table form ([Attachment A – Approved STD price adjustments](#))
