Dear Keston

**IM Review: Draft Decision Cross Submission and Draft Determinations Submission**

Thank you for the opportunity to respond to the following as part of the Commerce Commission's (**Commission's**) review of input methodologies (**IM Review**):

- submissions on the Commission's draft decision of 16 June 2016 (**draft decision**); and
- draft amendments to the Input Methodologies Determination and Information Disclosure Determination, issued 22 June 2016 (**draft determinations**)

Wellington Airport has participated in the development of the New Zealand Airports Association submissions on the above, and supports the points made in those submissions.

Please note that the close timings of the draft decision and draft determinations has meant that we have had less time than we would have liked to fully consider the draft determinations. However, we expect that any unexpected or inadvertent matters can be addressed during the upcoming technical consultation phase.

If you have any questions in relation to this submission please contact me at [martin@wlg.aero](mailto:martin@wlg.aero).

Kind regards

**Martin Harrington**  
Chief Financial Officer
