Cavalier Carpet Wool Holdings application to acquire Wool Services International's scouring assets.

We are W. & S.G. Bremner Ltd, a low profile privately owned New Zealand company in Wellington engaged in wool buying and exporting for over 45 years.

We see Cavalier Wool Holdings' application as evidence of ensuring New Zealand's wool scouring operates "free" and not part of a wool trading activity. We work in the best interests of New Zealand and believe that a wool trading company should not be the owner of a wool scour.

The competition with overseas scourers mainly China will make sure that Cavalier Wool Holdings' prices for scouring will remain competitive and acceptable by companies such as ourselves.

Yours faithfully,

S.G. Bremner
