## SUBMISSION

1. Thank you for the opportunity to comment on the Commission's draft liability allocation determination for the Telecommunications Development Levy for 1 July 2015 to 30 June 2016 (**draft LAD**).
2. As the methodology and approach to this year's draft LAD is the same as the approach to the FY14/15 LAD, we do not have any additional comments on the draft LAD, and simply refer the Commission to our previous submissions.
3. We continue to support the Commission's compliance review which includes checking the calculations of qualifying liable persons for compliance with the qualified revenue notice, and adjusting qualified revenues according to its findings.
4. Please don't hesitate to contact us if you would like any further thoughts or comments on the draft LAD.
