Hi there,

I write in opposition to the upcoming proposal with TAB / Entain.

I'm a consumer of sports gambling with Betfair and Bet365 accounts, betting small amounts on occasion for leisure.

The upcoming proposal will create a market monopoly, and is intended to create a monopoly, with certain negative consequences for NZ consumers.

If say Walmart took over The Warehouse in NZ, with an agreement to fund local NZ clothes manufacturers, in turn for all clothes retailers apart from The Warehouse being forced to close doors, the NZ public would be outraged.

Regards,
Kevin
