

inMusic's cross-submission in response to recently unredacted material in ATC's confidential Sol response

1. Thank you for the opportunity to review and address certain redacted material submitted by ATC in response to the Statement of Issues.
2. [redacted].
3. [redacted].
4. [redacted].
5. [redacted].
6. [redacted].
7. [redacted] it is not inMusic's burden to prove anything. It is ATC's burden to establish that an SLC is not likely, [redacted].
8. In short, ATC's attempts to impugn inMusic say more about the weaknesses in their arguments than about inMusic's.
