Dear Mark and Brett

REQUEST FOR EXTENSION FOR FURTHER SUBMISSIONS ON COST OF CAPITAL CONSULTATION

NZ Airports writes to request an extension in relation to responses to the Commission's notice of intention to do further work on the cost of capital input methodologies (published 31 March 2014). This notice requested the receipt of submissions by 1 May 2014.

NZ Airports has made considerable efforts to finalise its submission and co-ordinate the provision of expert reports within this timeframe. However, given the short timeframes involved and the significant disruption given the Easter and Anzac holiday period, it has not been possible to finalise all aspects within the timeframe provided.

Accordingly, NZ Airports requests a short extension of two working days (to Monday 5 May 2014) for the provision of its submission and to allow time to finalise the expert reports that will accompany that submission.

Should you have any queries or require any further information, please contact me on 04 384 3127 or kevin.ward@nzairports.co.nz.

I look forward to hearing from you.

Yours sincerely

Kevin Ward
Chief Executive
