Dear 

Official Information Act #19.126 - Compliance Advice Letters

1. We refer to your request received on 14 February 2020 for copies of the compliance advice letters referred to in OIA 19.113, published in the Official Information Act register on our website.¹
2. We have treated this as a request for information under the Official Information Act 1982 (OIA).

Our response

3. We have decided to grant your request. The letters are contained in the box.com link provided with this letter and listed below.
4. The Commerce Commission (Commission) sent compliance advice letters to 37 businesses,  after reviewing terms and conditions of sale on 174 websites. We reviewed these terms for potentially misleading representations about consumers' rights that may breach section 13(i) of the Fair Trading Act 1986.
5. We redacted some names and contact details from the letters under section 9(2)(a) of the OIA to protect the privacy of natural persons.
6. We consider that good reasons exist for withholding these names and contact details and this is not outweighed by other considerations which would make it desirable, in the public interest, to make the information available (section 9(1) of the OIA).
7. If you are not satisfied with the Commission's response to your OIA request, section 28(3) of the OIA provides you with the right to ask an Ombudsman to investigate and

review this response. However, we would welcome the opportunity to discuss any concerns with you first.

8. Please note the Commission will be publishing this response to your request on our website. Your personal details will be redacted from the published response.
9. Please do not hesitate to contact us at oya@comcom.govt.nz if you have any questions about this request.

Yours sincerely

Mary Sheppard
